**Subject:** CH2M HILL Access to Parr Canal on Friday 11/01/13

Dear Jim,

In follow-up to our conversation this morning, I would like to request access to the Parr Canal through the Levin Richmond Terminal Corporation for the following CH2M HILL employees this Friday, November 1, 2013 around 4:30 pm:

Bill Frohlich – cell phone: (925) 209-0881 - Possesses a TWIC card and will be the escort  
Jennifer McRae – cell phone: (510) 366-0794

I will make sure they have their identification on them. They will collect some resident mussels by foot from along the shoreline of the Parr Canal near low tide (5:17 pm). We estimate they will be on site to walk out to the canal and collect the samples and walk back for about one hour maximum.

Please let me know if you need any further information. Thank you for your help coordinating their access with security.

Sincerely,

Brenda McConathy
